

## Payment Terms.

Payment is accepted by card (see image at the bottom of the page for card types), cash or bank transfer.

Payment is required immediately upon completion of work; any delay may incur a late payment charge of £15.

If parts are needed, upfront payment may be required.

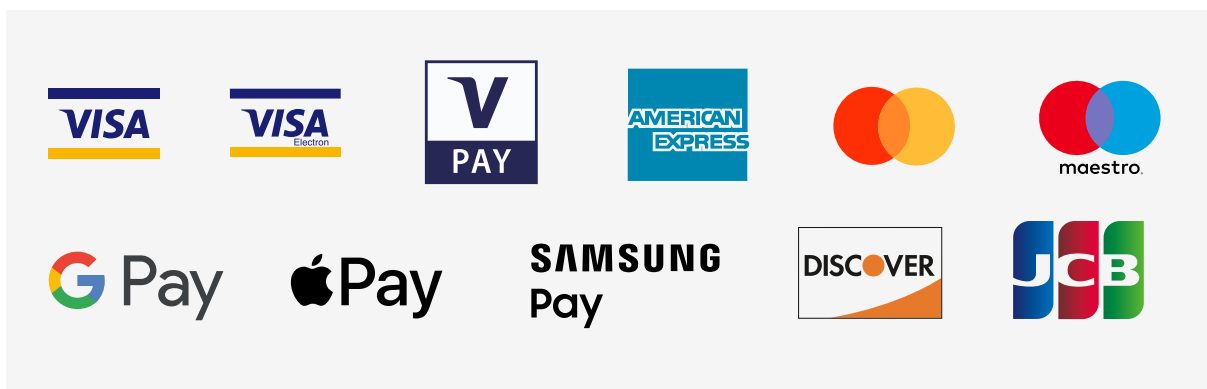

Callouts require payment of the callout charge, currently £65, upon booking, and any extra charges are payable at the end of the job. If cancelled with less than 48 hours notice before commencement, a £45 cancellation charge will be deducted from any refund.

Any parts (software or hardware) remain the property of Taunton Home Tech until paid for in full.

Offsite repairs require payment before or on collection.
